Fig. 4 is a diagram of a cloud computing architecture. The architecture is represented by a series of concentric circles. The innermost circle is labeled "APPLICATION SERVICES". The next ring out is labeled "CONTENT DELIVERY SERVICES". The third ring is labeled "HOSTING SERVICES". The outermost ring is labeled "PROFESSIONAL SERVICES". The entire structure is surrounded by a dashed line labeled "e-SUPPORT". The entire structure is labeled "400".

## About RSI

**4904**

Restaurant Services, Inc. (RSI) is an independent member-owned purchasing cooperative serving BURGER KING® restaurant owners in the United States.

RSI was founded in 1991 as the exclusive purchasing agent for the vast majority of products used by the U. S. BURGER KING system. Its primary purpose is to leverage the buying power of BURGER KING restaurants to achieve favorable contracts for food, packaging, premiums, promotion products, supplies, equipment, distribution and related services on behalf of more than 8,300 restaurants.

RSI's Board of Directors is comprised of BURGER KING franchisees, elected by region, one Burger King Corporation representative and one member appointed by the Minority Franchisee Association. The cooperative maintains a close working relationship with Burger King Corporation, with respective roles and responsibilities outlined in a formal Operating Agreement.

RSI works closely with restaurant owners, Burger King Corporation, food and packaging suppliers, marketing agencies, equipment vendors, distributors and information systems providers to streamline and improve the supply chain efficiency
